Breakthrough T1D® Play

The Game Over, T1D! Gauntlet is a collection of challenges to complete while fundraising all November! These challenges are meant to promote T1D advocacy and education while offering new, exciting ways for to raise money. Earn points per challenge completed.

The top 3 creators will earn an exclusive 2026 Game Over, T1D! Gauntlet trophy!

Gaming Challenges

Fortnite – *Team up with at least one other creator fundraising for Game Over, T1D!. Co-stream Fortnite games together.*
+10 points for streaming/fundraising together
+5 additional points per win together (maximum of 15 points)

Fall Guys - *Attend scheduled community game night. Date TBD in Discord based on interest.*
+10 points for attending
+5 additional points per crown (maximum of 15 points)

Captain Novolin – *Stream Captain Novolin (SNES) for at least one hour. Discuss how the game portrays T1D compared to the reality of living with T1D. Discuss if this game would be a good learning tool today.*
+15 points for 1 hour of Captain Novolin with T1D discussion

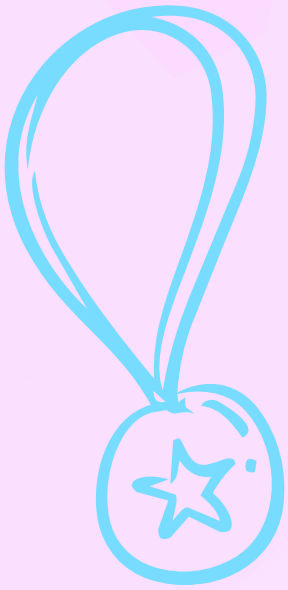

Level One: A Diabetes Game – *Stream Level One: A Diabetes Game, a mobile game that teaches how to manage T1D. Discuss how it relates to your own lived experience and how this game could be useful for those newly diagnosed (and people who love them). Learn more at playlevelone.com/*
+15 points for 1 hour of Level One with T1D discussion

Breakthrough T1D® Play

Gaming Challenges (cont.)

Roblox – *Stream Breakthrough T1D® World 💙 on Roblox. You can explore any aspect of the world, including the Walk Simulator. Discuss how the game relates to your own experiences with type 1 diabetes, Breakthrough T1D, and Walks.*
Learn more at breakthrought1d.org/world
+ 10 points for 1 hour of Breakthrough T1D® World 💙 on Roblox

Animal Crossing: New Horizons – *Visit Omnipod Bay on stream. Utilize the island as a discussion point about T1D and your own lived experience. Learn more at omnipod.com/omnipodbay*
Dream Code: DA - 9645 - 5879 - 6910
+10 points for visiting Omnipod Bay on stream with T1D discussion

Archipelago - *A cross-game modification system which randomizes different games, then uses the result to build a single unified multi-player game. Items from one game may be present in another, and you will need your fellow players to find items you need in their games to help you complete your own. Archipelago is a great way to game with others when you may not have an overlap of games that you enjoy playing together.*

For more information on set-up and game support, visit https://archipelago.gg/
+30 points for an archipelago collaboration fundraising stream with other creators raising money for Game Over, T1D!

Crowd Control - *Let your viewers interact with your gameplay LIVE while raising money for Breakthrough T1D! Crowd Control allows viewers to donate and enable a large variety of in-game effects including flipping your game controls, changing the size of your character, covering your game screen, instantly killing your character, and many many more!*
For more information on set-up and games, visit https://crowdcontrol.live/
+30 Points for one Crowd Control fundraising stream during November

Breakthrough T1D Play

Pokéthon

Our friends from https://colosseum.live/ are hosting Pokéthon from November 15th - 22nd. Creators can join the Trainers Unite team under The Colosseum campaign to fundraise for Breakthrough T1D. Anyone is welcome to join the Trainers Unite team and stream Pokémon content.

+25 points to join the Trainers Unite team here and host a fundraising Pokémon stream anytime from November 15th - 22th

+25 points to record a short video sharing your reasons why for fundraising for Breakthrough T1D. This video will be edited and used for educational purposes during various fundraising events. Upload video to Google Drive by November 1st.

Creative Challenges

Art Challenge - *Host an art stream where viewers can donate to give an art prompt for you to create on stream.*
Art could be drawn on paper, painted, MS Paint, clay, etc.
You do not need to be an artist for this one 😊
+25 points for charity driven art stream

Cooking Challenge - *Host a fundraising cooking stream. It could be tonight's dinner, a special baked good, meal prep for the week, or challenge where donors can impact what you cook. Discuss how different foods can affect someone with type 1 diabetes. Once cooking is completed, talk about how you would bolus for this dish, either for yourself or someone else living with T1D.*
+25 Points for cooking stream with T1D discussion

Just Chatting Stream - *Host a chat about how type 1 diabetes affects you. This stream can be done in a variety of ways – "Get Ready With Me" style, open table chatting with others in the community, or interviewing someone in your life who is affected by type 1 diabetes.*
+25 Points for just chatting stream focused around type 1 diabetes
